INVEST ON ASSET BACKED TOKENS

ISO20022 TOKENS

The XRP and XLM tokens are very necessary to HODL at this point time in regards to the fact tha(they are backed by SILVER and GOLD.. And who said we won't be able to TRANSACT with any of them?,, The iso20022 tokens (XRP and XLM) are the only tokens that will survive the great reset and would emerge as the only means of financial activities in the new QFS ..So definitely the iso20022tokens would perform every transaction processes when we finally witness the new QFS
